

Danna Lewis

LUSCIOUS LEADERSHIP

ADVISOR - AUTHOR - ADVOCATE

Leadership becomes extraordinary when strategy and self are aligned.

For more than 20 years, Danna Lewis has partnered with leaders, organizations, and individuals — from Fortune 50 companies to startups, nonprofits, and entrepreneurial ventures — including 6+ Founder/CEOs, with a specialty in 0-to-1 builds.

Known for her ability to see both the bigger picture and the path to execution, Danna cuts through complexity to create clear, elegant, actionable strategy. She builds 0-to-1 frameworks and structures, identifies untapped opportunities for growth and revenue, and aligns people, strategy, and execution to create meaningful, sustainable impact. More than a decade of study in consciousness and human development brings deep human understanding to how she approaches this work.

As a published author on leading across life, love, and work, Danna advocates for her clients' success—helping them create meaningful impact within their sphere of influence while building lives, leadership, and organizations that are sustainable from the inside out.
